

For sale: "Windmark"

"Windmark" is a much admired boat; in my ownership she has been extensively upgraded and lovingly maintained as I planned to keep her for many years.

However, circumstances have changed, and she is unexpectedly for sale @ £27,500. Berthed in Chichester Harbour.

Please contact me for more information – neiladavison@gmail.com

'Windmark' is a Mark 3, hull #75 built in 1979 with a white hull and very light blue deck.
